ViSalus GO®

Fuel Your Body with ViSalus GO Instant Energy†

What is it?

A grape-flavored energy shot specially formulated to deliver instant energy to support peak muscle performance.†

What does it do?

ViSalus GO uniquely taps the performance potential of Whole Grape Extract and other organic catalysts to support energy, muscle performance and even visual acuity during physical and mental exercise. Ideal for use before or during your workout, or anytime you need a boost of energy.†

Key ingredients

- **Whole Grape Extract** – While other brands only use the fruit’s powder, ViSalus GO uses the whole grape extract for the ultimate power source, thus supporting cell uptake of oxygen for optimal performance and endurance†
- **Black Currant Extract** – a strong antioxidant†
- **Rhodiola Extract** – used by Russian athletes or over 30 years, it supports stamina, endurance and energy†
- **Black Currant Extract** – supports the body’s responses to oxidative stress†
- **Citrulline Malate** – supports nitric oxide production, which supports a healthy vascular system, including oxygen and blood flow†
- **Isomaltulose** – a non-insulin-spiking sweetener that helps support muscle performance†
- **6 Essential Vitamins** to support the body with healthy benefits†

*Ingredients not available, but according to the manufacturer the ingredients are the same as the classic Red Bull.

**Isomaltulose is a low-insulinemic sweetener that supports improved fat oxidation during physical activity as high insulin levels hinder the use of lipids as an energy source. Isomaltulose can increase the amount of fat used as energy, thus enhancing performance endurance.† It is naturally found in honey and sugar.
