

Project 10kids

WHEN YOU LOSE, A CHILD WINS!

What is PROJECT 10 Kids?

PROJECT 10™ Kids gives the Vi Community an opportunity to share the benefits of good nutrition and living healthier with the next generation. Every time someone reaches a 10-lb. goal through the PROJECT 10™ program, ViSalus donates 90 days of healthy meals, drinks and snacks on their behalf to helping a child on the path to a healthier lifestyle.

Two great ways to contribute!

1. Enter PROJECT 10 at project10.vi.com

- Once you've achieved your first 10-lb. goal (lost 10 lbs. or built 10 lbs. of lean muscle), just submit your results
- Then choose where your meals are donated from a list of our PROJECT 10 Kids charity affiliates
- Each time you reach another 10-lb. goal, you can do this!

2. Donate through Vi Donation Match

- Every Vi Promoter has their own Promoter Giving Site (just go to yourusername.project10kids.com) where anyone can make a direct product donation to a Vi Charity Partner of their choice
- Because Vi doubles the impact by matching every donation, the more you give, the more we give!

Choose your charity

Upon uploading your "i LOST it." or "i BUILT it." video, you will have the opportunity to choose the charity you would like to receive the donation.

If there is not a Project 10 Kids Charity Partner in your area you can submit one for review online in Vi-Net. Find it in the "Challenge" drop-down on the Vi-Net back office navigation bar. Click on the Project 10 Kids option and on that page, you will find the "Request a Charity" link to submit the charity online with step-by-step instructions.

Challenge Yourself

Join PROJECT 10 Kids and the Vi Donation Match and help us give the gift of good health and good nutrition to kids in your community.
